

February 1, 2017

From May 24-27, approximately 800 attendees from across the nation will gather in Omaha for the 42nd Annual *Neighborhoods, USA* conference. We invite you to be an exhibitor at this prestigious event.

Working with local host cities across the nation, NUSA is best known for its annual conference held in May. At this event, hundreds of people who are passionate about improving neighborhoods and building stronger communities, gather to share information with one another, attend and actively participate in educational workshops, tour neighborhoods, and recognize achievements of neighborhoods across the nation.

Enclosed is information about exhibit space, costs and other details. While the conference draws neighborhood leaders from coast to coast, it is open to the public. **At least half of the attendees will be from the Omaha area - residents active in their neighborhoods.** It is an opportunity for local, regional and national exhibitors to showcase products, services and missions to an audience highly engaged in civic life.

The program committee has planned an amazing set of 56 workshops and presentations in eight tracks including Neighborhood Initiatives, Creative Inclusion, Emerging Leaders, etc. There will also be 18 neighborhood pride tours in Omaha and Council Bluffs. The conference will provide attendees with new information and newfound enthusiasm for improving their neighborhoods.

Questions about the enclosed information and exhibitor opportunities can be directed to Roxanne Nielsen; rnielsen@vgagroup.com, 402-345-5401, extension 112. We hope to see your exhibit at this celebration of neighborhoods!

Sincerely,

Roxanne Nielsen
Conference Coordinator
