

**Dear Municipal Leader:**

Neighborhoods, USA (NUSA) thanks you for your commitment and support to neighborhoods and we would be honored for you to accept our invitation to become a City/County Member of our organization.

A City/County Membership demonstrates you recognize the value of establishing collaborative partnerships among municipalities with other organizations to promote citizen participation in the decision-making process. Membership furthers this effort by providing an opportunity to build stronger communities by bringing citizens, professionals, elected officials, and private sector together to share experiences and knowledge.

We would also like to invite and encourage residents from your city or county to attend the 44th Annual NUSA Conference on Neighborhood Concerns. Our next conference will be May 15-18, 2019 in Palm Springs, Calif. Citizens from your community will have the opportunity to meet and interact with other dedicated individuals from across our nation to develop solutions to unique concerns that impact cities around the world. Please check our web site ([www.NUSA.org](http://www.NUSA.org)) on a regular basis for more information and materials about the 2019 NUSA conference.

If you have any questions, please email either [president@nusa.org](mailto:president@nusa.org) or [membership@nusa.org](mailto:membership@nusa.org), or contact NUSA's administrative assistant, Jeri Pryor, by phone at 954.999.0833 or by email at [AdminAsst@NUSA.org](mailto:AdminAsst@NUSA.org). Thank you in advance for your consideration of joining NUSA and for continuing your commitment to neighborhoods.

Sincerely,

Jason Bergerson, President, Neighborhoods, USA (NUSA)
